Welcome!

We're Chrissy, Hanna, Noa, Lena, and Lisa

In March 2017 we got together to form the Berlin chapter of R-Ladies. You can follow our activity (and help us spread the word) on 🐦 📘 @RLadiesBerlin and sign up for upcoming events on Ⓜ rladies-berlin.

1.
What is R-Ladies?

Founded by statistician Gabriele de Queiroz in San Francisco, Oct 2012, R-Ladies aims to increase of the participation of women in the R community by encouraging women to join the coding community, develop R packages and to increase the attendance and visibility of women as speakers at R conferences and meetings

133 R-Ladies groups on meetup.com

44 R-Ladies Countries

133 R-Ladies Cities

34761 R-Ladies members on meetup.com

2.
Code Of Conduct

○ Public events are *always* for free

○ The conceptual domain / scope is R-specific

○ Be aware and acknowledge other's contribution

○ Use neutral language

○ Constructive, supportive and gender-inclusive environment to share, learn and network

○ Organizational & mentoring roles are exclusively reserved for women

3.
Open Mic

Do you have news that you wanna share? You have a R-related problem and need some input? You're looking for an expert in x or y? Did you just discover a great package and wanna spread the news?

Let us know that you would like to get on stage prior the next meet-up. No slides required, only you and a mic.

Drop a line or talk to us: **berlin@rladies.org**

4.
Join us online at the slack Rstats-germany

Join our online community for additional networking, support and get in touch. Send an email to berlin@rladies.org; we'll send you an invitation.

In preparation - Online casting of meetup sessions and tutorials - German-wide network for R-Ladies and learners!

5.
Save the date - our next session

will be on 15th / 19th March 2019. Our **new** host for this session is the **WATTx.**

WATTx is connecting traditional companies with new business opportunities based on creating, analyzing, and activating data.

Stay tuned!

Hands-on training - Web Scraping

This session helps us to get familiar with web scraping and introduce some convenient tools for the process.

Hello!

This is Riva

She is the founder of R-Ladies Santiago and R-Ladies Valparaíso in Chile. Riva is one of the chairs of LatinR Conference, and recently co-organized satRday Santiago. As a Linguist, she uses R for exploring how people use language in different settings and periods.
